I am readily familiar with the firm's practice of collection and processing correspondence for mailing. Under that practice such envelope would be sealed and deposited with U.S. postal service on that same day with postage thereon fully prepaid at Riverside, California in the ordinary course of business. I am aware that on motion of the

party served, service is presumed invalid if postal cancellation date or postage meter date is more than one day after the date of deposit for mailing in this affidavit.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed on January 30, 2020, at Riverside, California.
